

## Printed Quiz | Primary Schools | General Knowledge | For Class Use (3)

This printed quiz is for use with primary school students and is intended for use in class or as homework. The PDF file prints firstly the questions complete with answers and then the questions without answers but with spaces left for answer insertion by the students. The general knowledge questions are about many varied subjects appropriate for children aged 8 to 11. The Education Quizzes website contains many different [printed school quizzes](http://www.educationquizzes.com) that can be used by teachers free of charge.
