

Printed Quiz | Primary Schools | KS2 Subjects | For Class Use (4)

This printed quiz is for use with primary school students and is intended for use in class or as homework. The PDF file prints firstly the questions complete with answers and then the questions without answers but with spaces left for answer insertion by the students. The questions are about several different subjects that are studied by KS2 students. The Education Quizzes website contains many different [printed school quizzes](#) that can be used by teachers free of charge.
